

Sponsorship opportunities

- **Year-long recognition and exposure at every opportunity.** As an American CME sponsor you will be recognized for an entire year. As one of our sponsors, your company along with a link to your web site will be listed on the American CME sponsorship page. Our sponsors will receive great exposure and will be highlighted around every corner. From our web site to expos and advertisements, your company will be present. Our users know that it's because of our sponsors that we are able to provide them with a high quality product at no cost. Currently accepted in 26 States and counting, our state mandating education is growing and we want you to grow with us.
- **Silver** sponsors receive recognition and link on our sponsorship page. **Gold** sponsors receive their logo on our home page as well as on our sponsorship page, both with a link to your web site. Finally our **Platinum** sponsors receive up to a 500 word company description to appear with their logo on our sponsorship page. You also have your logo present on our home page, accepted states page, FAQ page and every certificate issued. Our Platinum sponsors also receive their logo on all advertisements that American CME participates in, from expos to mailers.
- Check out our one of a kind education at AmericanCME.com to see the opportunities that await you. American CME can also supply you with a detailed packet of our company and sponsorship opportunities if requested.
